

**NON-BINDING REFERENDUM ON WHETHER**  
**TO KEEP TRAIPI ACADEMY OPEN**

**Question \_\_\_\_.** Shall the Kittery School Committee keep Traip Academy open rather than investigating options to send Kittery's secondary students to another high school under a tuition contract? ( *Note: The School Committee has requested that this non-binding referendum question be submitted to the voters to help the School Committee gauge whether the citizens support keeping Traip Academy open.* )

Placing the above question on the November ballot was unanimously supported by the School Committee at their meeting on Sept. 7, 2010.
